

ARDEX CEMENTO, S.A.

Declaration of CE Marking status

According to Annex III of the European Regulation (EU) No. 305/2011 (Construction Products Regulation) amended by the Delegate Commission of Regulation (EU) No. 574/2014.

HUMISTOP WP170

According to the Construction Products Regulation, as of July 1, 2013, a construction product must bear the CE marking and be accompanied by a Declaration of Performance (DoP) and other information, such as instructions for use, if it is marketed in the European Economic Area and is covered by a Harmonized European Product Standard (hEN) with an Annex ZA detailing the requirements for CE marking or a European Technical Assessment (ETA).

The product mentioned above, when used as intended, is NOT covered by a harmonized standard (hEN) and therefore cannot be CE marked for this use and as such does not have to be accompanied by a Declaration of Performance (DoP).

However, this product has been tested according to ETAG005 as a first step towards obtaining a European Technical Assessment (ETA) with the following results:

Essential Characteristics	Performance	Technical Specification
Useful life	Category W3, expected useful life of 25 years	ETAG 005
Climatic zones, climate:	Category M and S, moderate and extreme climates	ETAG 005
Climatic zones, temperature:	Category TL3, extremely low temperature Category TH4, extremely high temperature	ETAG 005
Roof pitch:	Category S1-S4 slope, (from < 5 to > 30) %	ETAG 005
Usage load:	Category P3, normal	ETAG 005

We trust that the above information is useful to you.

On behalf of the manufacturer

Sincerely,

Joan Bo
Head of Technical Department
ARDEX CEMENTO, S.A.
